Quest Pictures Teams Up with Combat Film Productions and Activision to Produce a Commercial Promoting Call of Duty Endowment – A Non-Profit Organization Helping Veterans Find Careers

Los Angeles, CA – November 9, 2009

In conjunction with the much anticipated November 10, 2009 launch release date of the **Call of Duty: Modern Warfare 2** game, Activision has teamed up with Combat Film Productions and Quest Pictures to create a commercial to promote the Call of Duty Endowment Program (CODE). Activision has donated \$1 million to the new non-profit that was established to help U.S. veterans of the armed forces find employment and re-integrate into civilian life.

“We are excited to work with Combat Film Productions and Activision and are honored for the opportunity to contribute to such an important program as Call of Duty Endowment,” said Quest Pictures CEO, Jeff Murphy.
